

TRIUMF

Canada's National Laboratory for Particle and Nuclear Physics
Laboratoire national canadien pour la recherche en physique nucléaire
et en physique des particules

December 21st, 2009

To: Experimental Spokespersons (with stage 2 Approval)
Operations
Division Heads

I would like to prepare the spring 2010 beam schedule (117) for both base and ISAC programs with:

- run high-intensity beams from April 1st to August 24th
- run low-intensity beams from August 25th to September 14th
- have a shutdown from September 15th to 21st

Accelerator Radioactive beam to ISAC II will not be available before May 1st.

Please submit your beam requests for Schedule #117, using the online facility at:

<http://mis.triumf.ca/beam/request>

NOTE: Please indicate clearly when you CANNOT take beam time.

The firm deadline for submissions is midnight Vancouver time, January 15th, 2009.

A draft schedule will be posted January 29th, and the final scheduling meeting will be on Thursday, February 11th, 2009.

Sincerely,

Gordon C. Ball
Science Division Head
