

# TOUR of TRIUMF ON October 31 12 pm

**Dear Fellow Grad Students and Postdocs,**

**How well do you know TRIUMF..?**

*You are invited to participate in a tour of TRIUMF this Friday October 31st at noon. We will have the opportunity to visit 5 different experiments/facilities from each division at TRIUMF. Each will be guided by an expert, and in order to make the experience from personal, we will be divided into groups of 10.*

**The schedule consists of:**

- *beta-NMR (Material Science)*
- *TIGRESS (Nuclear Physics)*
- *ATLAS (Particle Physics)*
- *500 MeV Cyclotron (Accelerators)*
- *Proton Therapy (Nuclear Medicine)*

***Don't miss this opportunity to learn more about the exciting science taking place at TRIUMF!***

***Pizza will be served at 11:45 am.***
