Host:

Paolo Pietropaolo

*journalist, broadcaster,
composer, and writer*

How do we best unleash the creativity that exists within every one of us? Go behind the scenes of the creative process as we explore ways that we can harness curiosity to unleash creativity. Join journalist and broadcaster Paolo Pietropaolo in conversation with dynamic personalities from a wide range of disciplines who wield curiosity for a living. As the conversation unfolds, you may discover new ways to let your own curiosity come out and play and hack your creative potential.
